Prepare Yourself

Pretend you are the owner of a grocery store: Once a year you were required to take inventory of your supplies. What would you need to gather for such an event?

Why is this important? Read/Study Luke 14:28-30.

Take INVENTORY HERE: Areas to consider. Circle the ones that apply:

Relationships: God, spouse, ex-spouse, children, in-laws, friends, co-workers, parents, extended family, church family, others

Finances: Job, bank accounts, investments, budget, house, vehicles

Health: Physical, emotional, mental, spiritual

Occupation: present future retirement

Strengths:

Weaknesses:

Eternal position: Heaven or Hell

What in your own life have you neglected to count the cost over and have not seen a good success on the outcome? (See list above)

Read Genesis 6:15-17, how specific was God on his directions? Also consider v 22.

What areas of your life do you feel you have done everything that God has instructed of you? (See inventory list for help)

What area of your life have you NOT done everything that God has instructed?

(Being completely honest here it is key to your success) 😊

Where do you recognize that you need to work or redo an area of your life in light of Gods instructions to you? GO back to your inventory list and look again at what area of your life would you say that needs improvement.

What if I do not know what God's instruction for me are? What do I do?

What area of my life do I need to seek more diligently for God's wisdom on? Be specific: Even the areas you don't want to recognize😊

Verses to meditate on for your success:

☺ Congratulations on your first step to living The Life You Want> Take another one tomorrow and the day after that. As you work through this process, you will be one step closer to fulfilling Gods will for your life and truly living the life that Jesus died to give you! John 10:10b

How different would your life look, if you were doing everything possible to live out the life that God had planned for you?

If you are not living such a life, why not?
