PREPARE 329 Times in the bible

Where do I stand today? Take a look at your surroundings (personal life) and write down what you see?

Positive-

Negative-

Encouragement: God doesn't call the qualified, He qualifies the called.

How do I stand in the midst of my world? What gets you through? Helps you cope?

Where do you find that you are most stable?

How do you prepare when you feel the ground is shifting underneath your feet?

Could God be preparing me for a fall out? Storms (going in, coming out, in)

What do I do when the bottom falls out?

What does God say I should do when the bottom falls out?

In which areas do I hear God cautioning me about, but I continue to ignore His voice?

Matthew 6:33. **Seek first** the Kingdom of God, and all these things will be added to you.

The ONLY way to prepare your life is to begin with a relationship Jesus. If this area of your life is not in order, nothing else will be either.

Matthew 19:28-30; Matthew 5:6; Proverbs 2:1-9; Proverbs 3:9-10; 1 Kinga 3:11-14
